

He's Alive

Happy Rhodes

He's alive
He's alive
And why?
Because I let him live

Open your eyes
Alice arise
Take my breath
Breath my life
Come through the walls
Your lady calls
Lean on me
There's no captivity
Roam the streets
Invade their dreams
He's alive
He's alive
And why?
Because I let him live

Open your eyes
Alice arise
Take my breath
Breath my life
Come through the walls
Your lady calls
Lean on me
There's no captivity
Roam the streets
Invade their dreams
He is alive
He is alive
