I Am A Legend

Happy Rhodes

Yes they can say "She's not so great" That they could do the very same I am a legend in my A legend in my own mind Ooh I can feel all that I sing I can do almost anything I am a legend in my A legend in my own mind I have a brain that's taken me to the core of the world I've been to Anglo-land and lived beyond the castle wall So pooh on you Ooh it's inside my active mind That I am one of a kind I am a legend in my A legend in my own mind I wish that you would all agree That I'm impeccably me Make me a legend in your A legend in all your minds I am a witch who lived before your time I am a prince and this forest is mine So pooh on you Yes they can say "She's not so great" That they could do the very same I am a legend in my A legend in my own mind 'Cause I can feel all that I sing I can do almost anything I am a legend in my A legend in my own mind I have a brain that's taken me to the core of the world I've been to Anglo-land and lived beyond the castle wall So pooh on you Ooh it's inside my active mind That I am one of a kind I am a legend in my A legend in my own mind I am a legend in my A legend in my own mind I am a legend in my A legend in my own mind Make me a legend in your

A legend in all your minds
