

I'm Going Back

Happy Rhodes

Where are
 My monsters and cats?
Where are
 My attic antiques and bats?
I'm going back
 I'm going back
 I'm going back
I'm going back
 I'm going back
 I'm going back
No life here
In the room
Where I sleep
It's traveled ahead
To my stony keep
I'm going back (to the rain on the trees)
 I'm going back (to my kitty on the window)
 I'm going back
I'm going back (to the strings of the Guild)
 I'm going back (to my heart's desire)
 I'm going back
Where are
 My brothers, mother and dad?
 I had a family
 And friends
I'm going back (to the rain on the trees)
 I'm going back (to my kitty on the window)
 I'm going back
I'm going back (to the strings of the Guild)
 I'm going back (to my heart's desire)
 I'm going back
I'm going back (to the rain on the trees)
 I'm going back (to my kitty on the window)
 I'm going back
I'm going back (to the strings of the Guild)
 I'm going back (to my very sweet love)
 I'm going back
