

# I'm Going Back

Happy Rhodes

Where are  
    My monsters and cats?  
Where are  
    My attic antiques and bats?  
I'm going back  
    I'm going back  
        I'm going back  
I'm going back  
    I'm going back  
        I'm going back  
No life here  
In the room  
Where I sleep  
It's traveled ahead  
To my stony keep  
I'm going back (to the rain on the trees)  
    I'm going back (to my kitty on the window)  
        I'm going back  
I'm going back (to the strings of the Guild)  
    I'm going back (to my heart's desire)  
        I'm going back  
Where are  
    My brothers, mother and dad?  
    I had a family  
    And friends  
I'm going back (to the rain on the trees)  
    I'm going back (to my kitty on the window)  
        I'm going back  
I'm going back (to the strings of the Guild)  
    I'm going back (to my heart's desire)  
        I'm going back  
I'm going back (to the rain on the trees)  
    I'm going back (to my kitty on the window)  
        I'm going back  
I'm going back (to the strings of the Guild)  
    I'm going back (to my very sweet love)  
        I'm going back
