

I ask you
 Now tell the truth
I ask you
 Was it worth the price you paid?
If so...
I know you loved me
 Darling
But I need to know
 Did you mean to hurt me so?
If so...
 Go away way very far away, take your leave
 I'll never hate you, I'll never think of you
 And I'll never grieve
Did you want it all?
 Free love
Did it satisfy?
 Was it your intentions to deceive?
If so...
You made me happy
 You made me cry
You gave me hope
 Was my happiness a lie?
If so...
 Go away way very far away, take your leave
 I'll never hate you, I'll never think of you
 And I'll never grieve
 I'll never grieve the loss
I ask you
 Now tell the truth
I ask you
 Was it worth the price you paid?
If so...
