

# Mother Sea

Happy Rhodes

I looked out over the blue  
And breathed in the new, old air  
Wondered where it had been  
Before it got here  
Little bell in a cage  
Singing to me happily  
I wanted to swim out far  
To keep him company

Mother Sea blew her  
Sweet breath on me  
Telling me there's so much  
More to be seen

Yes I remember now  
I remember now  
How it goes

I remember the tears  
For the jellyfish  
Drowned in the sand  
I wavered in the waves  
With seaweed in my hand  
I wanted to fly under  
The wings of the gulls  
Overhead  
I longed to know what lies  
Beyond that line

Mother Sea blew her  
Sweet breath on me  
Telling me there's so much  
More I can be  
Mother Sea blew her  
Sweet breath on me  
Telling me there's so much  
More I must be

Yes I remember now  
I remember now  
How it goes

Now I know just what  
My godmother was for

Mother Sea blew her  
Sweet breath on me  
Telling me there's so much  
More I must see  
Mother Sea blew her  
Sweet breath on me  
Telling me there's so much  
More we can be

Yes I remember now  
I remember now  
How it goes
