

Ra Is A Busy God

Happy Rhodes

Ra Is A Busy God
Where're you going Ra?
Take me with you Ra...
You're a busy God

Away
Away

Where're you going Ra?
Take me with you Ra...
You're such a busy God

I wish you could stay
I only want to play and play
But you're such a busy god
and I'm such a mortal Ra

I envy your friends
The moon, the rain, the wind
And when you come back
I'll have my best dress on
I'll spin around so that when you look down
All you'll see is me

Where're you going Ra?
Take me with you Ra...
You're such a busy God
Where're you going Ra?

Oh, even the leaves laugh
As you spin and tumble through
We explode in color
All for your honor
I envy your friends
The moon, the rain, the wind

Even the leaves laugh
'cause they have what I have
Reach from the best tree
So he can see me

And with your face
With your face comes laughter
And with your touch
And with your touch comes joy
I envy those
I envy those who wake up
While I am made
While I am made to rest

I guess you have
I guess you have more children
Cause you're so big
You're so big and everywhere
And even when
Even when the clouds prevail
I know you're here

I know you're here
I know you're there

Where're you going Ra?
Take me with you Ra...
You're such a busy God

Even the leaves laugh
'cause they have what I have
Reach from the best tree
So he can see me

Please see me
