

Rainkeeper

Happy Rhodes

Ooh rainlover
You're the one
You're the one I'm dreaming of
Be my love
Ooh rainkeeper
Does your heart.
Does it overflow with fear?
You and I could cry a sea
'Cause I'm the other side
Know where you hide
I'm there
So be wary of me rainlover
In my dreams
You are lying by me
And we're free
Ooh rainmaker
Do you know.
Do you know where my love goes?
Only mother knows
That I'm the other half
The psychopath
I'm here
Better fear me
Your other side
Know where you hide
I'm there
So be wary of me rainkeeper
Time to die
And she wants you by her side
Forces to collide
