

Rhodes Waltz

Happy Rhodes

I am a fleeting thought
Cherish and remember
Tomorrow I'll be gone
Understand that I am
Momentary
No forevers here
I move on

But if you ignore my presence
I will never come again
Take notice
I remain for no one, no thing
Be aware
Tomorrow I'm gone
But treat me with respect and care
And when needed I'll be there

But if you ignore my presence
I will never come again
Take notice

I am a flying soul
Don't clutch on
Tomorrow I'll be gone
Tomorrow I'll be gone
Tomorrow I'll be gone
