

Memory is longer than circuits is longer than October  
Women are better than numbers are better than a treehouse

Events are bigger than people are bigger than life  
Timing is everything more than anything else

THIS IS MY TREEHOUSE I BUILT IT THIS SUMMER  
AND ONLY THOSE WHO LIKE ME ARE GONNA BE INVITED IN

Words are the weapons of parents the torture of youth  
Even as grownups mingle how deep is the truth  
Nothing could outrun the future or deaden the past  
If you can't beat them you'll have to surpass them

THIS IS MY TREEHOUSE I BUILT IT THIS SUMMER  
I WISH I COULD INVITE YOU BUT YOU'VE NEVER BEEN A MEMBER  
HERE

Get away from here  
It's my treehouse

THIS IS MY TREEHOUSE I BUILT IT THIS SUMMER  
AND ONLY THOSE WHO LIKE ME ARE GONNA BE INVITED
