

## Dreamin' in a Casket

Hardcore Superstar

I Never see \*the\* sun I find it hard to breathe  
Tear me apart rip me up I'm not the one who bleeds  
I always crawl so invisible here  
I see the picture but I'm outside the frame, outside  
the frame

What crawled up your ass better keep on dreamin' for  
what's gone  
I'm dreamin' in a casket  
What crawled up your ass keep on dreamin' for what's  
gone  
I'm dreamin' in a casket  
In a casket

I see it clearly now I don't believe in me  
Cut the crap deep within a casket in my dream  
This is my show my only fantasy  
You can not blame me cause you don't understand, don't  
understand

What crawled up your ass better keep on dreamin' for  
what's gone  
I'm dreamin' in a casket  
What crawled up your ass keep on dreamin' for what's  
gone  
I'm dreamin' in a casket  
In a casket

What crawled up your ass better keep on dreamin' for  
what's gone  
I'm dreamin' in a casket  
What crawled up your ass keep on dreamin' for what's  
gone  
I'm dreamin' in a casket  
\*In a casket\*  
For what's gone I'm dreamin' in a casket  
For what's gone I'm dreamin' in a casket
