

Innocent Boy

Hardcore Superstar

I don't give a damn
Cause I don't fuckin understand
and that's why they call me a stupid man

You lift me up
Just so you can push me to the ground
You make me weak
Stick around
This man's heading for a breakdown

Don't wanna know
How low
My self esteem really can go
So when you go
Let me know
A black cloud on an innocent boy

I've got a jokers smile
An evil grin
A lovely style
And that's why I treat myself
As an innocent child

A black cloud on an innocent boy
Black cloud damn I'm an innocent boy
When you go let me know
I'm an innocent boy
