

## Into Debauchery

Hardcore Superstar

Oh no  
I don't need another trip to that graveyard  
Let me be  
Already being sick and tired  
Being friendly  
Being me  
Let me be

Into sweet debauchery  
I'll hang myself  
I'm misery

Let's go  
Gimme some rope  
Gimme something to set me free  
Life's tough  
With a little bit of fantasy  
I'll find something that will kill me
