

My Good Reputation

Hardcore Superstar

You talk so much, you scream in my face
Don't know how to let it go
My nose gets punched everytime I say:
"We're only friends you know"

I feel jealousy baby, jelousy coming
Your face turns ugly and old
Midnight lady, precious little baby
Woman your ego has grown

Why don't you just wash your ugly mouth

CHORUS

My good reputation, gave me a friend that I don't know
It's a tricky situation, cause My Girl thinks she's a
whore
She's a midnight lady, precious little baby
Woman your ego has grown
My good reputation, gave me a friend that I don't know

I will always hate your female friends
You can't call them no more
But I haven't had sex with them I swear
It doesn't matter at all

I feel jealousy baby, jelousy coming
Your face turns ugly and old
Midnight lady, precious little baby
Woman your ego has grown

CHORUS

My good reputation, gave me a friend that I don't know
It's a tricky situation, cause My Girl thinks she's a
whore
She's a midnight lady, precious little baby
Woman your ego has grown
My good reputation, gave me a friend that I don't know
