

# Silence for the Peacefully

Hardcore Superstar

If people knew  
The real me would simply frighten you  
I breathe in my dreams  
That's who I am  
He's real mean  
In my reality there are things I can see  
One of a kind  
No space for me  
Just a natural bad  
I live as fast as I can  
I see myself as the enemy

Scream for me  
Silence for the peacefully  
Scream for me  
I'll make you famous forever  
Scream for me  
I don't care if you already died  
So bleed with me  
I'll make you famous forever

It feels good  
There ain't nothing that I won't do for you  
I am the man in my dreams  
No sense of reality  
One sick mind  
I'm ready to leave  
Just a natural bad  
I live as fast as I can  
I see myself as the enemy
