

# Stranger Of Mine

Hardcore Superstar

Down, down, how I hit the ground,  
Can't find a place that I love.  
Why, why do you have to cry?  
We need some help for the go.

A friend is hard to find,  
You're a stranger of mine.

Oh, stranger of mine  
Please don't start another fight.  
Baby, I don't care who's wrong or right.  
There are ways about you I don't understand  
You weep like a girl, but hit like a man.  
I used to love the way you made me feel when I'm a kind  
But now I can see clearly you're a stranger of mine  
A stranger of mine.

Try, I try to be on your side  
Even if I don't understand.  
Bye, bye, no will to fight,  
Running as fast as I can.

A friend is hard to find  
You're a stranger of mine.

Oh, stranger of mine  
Please don't start another fight  
Baby, I don't care who's wrong or right  
There are ways about you I don't understand,  
You weep like a girl, but hit like a man.  
I used to love the way you made me feel when I'm a kind  
But now I can see clearly you're a stranger of mine,  
A stranger of mine.

A friend is hard to find  
You're a stranger of mine.

Please don't start another fight.  
Baby, I don't care who's wrong or right.  
There are ways about you I don't understand,  
You weep like a girl, but hit like a man.  
I used to love the way you made me feel when I'm a kind  
But now I can see clearly you're a stranger of mine  
A stranger of mine.

I used to love the way you made me feel when I'm a kind,  
But now I can see clearly you're a stranger of mine.  
You take it all on me, you're gonna hurt my break,  
Is always so much love you take to make me understand  
You give a little push and now I push a little more  
I don't understand what we are waiting for.  
Oh baby, now I'm out, I'm gonna take what's mine,  
Cause clearly I can see that you're a stranger of mine.  
Oh yeah!
