

## You Will Never Know

Hardcore Superstar

Little baby don't you give me no lip  
I'm hard as hell I'm a sexual fix  
pretty one I'm second to none  
I'm a love god girl I'm a social mistake  
Do you have enough wisdom to know what to do  
Are your senses working in full control  
Come with me and meet Satan's friend  
Don't worry won't live to tell  
Sun marks me weak I'm a vampire's son  
My senses working full control  
Do you have enough wisdom to know what to do  
Are your senses working in full control

You will never ever know  
How it feels to be alone  
You will never ever know  
I wanna live to see you grow old

Little baby don't you give me no lip  
I'm hard as hell I'm a sexual fix  
pretty one I'm second to none  
I'm a love god girl I'm a social mistake  
Do you have enough wisdom to know what to do  
Are your senses working in full control
