

Please Have Faith In Me

Hardline

When times get rough
Sometimes we feel like we're lost and alone
When words come out
In a way it was not meant to be

But baby believe it
In spite of it all, I still love you
I still love you
But right from the start
It was always you

Babe, please have faith in me
Don't give up
Don't let us down (Don't let us down)
Babe, please have faith in me
I just need a little more time
Don't give up

In good or bad
That's the vow we made long ago
No matter what
I am trying to keep my word

So baby believe it
In spite of it all, I still love you
I still love you
Right from the start
It was always you

Babe, please have faith in me
Don't give up
Don't let us down (Don't let us down)
Babe, please have faith in me
I just need a little more time
Don't give up
