

# Birds Fly

Hardwell

Ask me, do I want this, I say do birds fly?  
Ask me, do I feel it, I feel it to-night.  
If you ask me, where the past is, I left it be-hind.  
And I'm just, tryin to show you, e-ve-ry side.

When your a star.  
And your look-ing up at the stars.  
It just looks like ve-nus or mars  
Let's make this uni-verse ours.  
Gra-vi-ty's holding us down.  
So let's turn this planet a-round.  
Oh now, don't you worry 'bout how.  
Can't noth-ing stop us now.

If birds fly, so can I,  
I got a heart-break dawn rising in my sky,  
And it's so. Beau-ti-ful. I just might cry watching birds fly.

Go on, Ask me, do I love you, I'll say does sun-shine.  
Ask me, and I'll tell you, you know I can't-lie.

When your a star.  
And your look-ing up at the stars.  
It just looks like ve-nus or mars  
Let's make this uni-verse ours.  
Gra-vi-ty's holding us down.  
So let's turn this planet a-round.  
Oh now, don't you worry 'bout how.  
Can't noth-ing stop us now.

If birds fly, so can I,  
I got a heart-break dawn rising in my sky,  
And it's so. Beau-ti-ful. I just might cry watching birds fly.

If birds fly, so can I,  
I got a heart-break dawn rising in my sky,  
And it's so. Beau-ti-ful. I just might cry watching birds fly.

Fly, fly. Fly, fly  
(Hmmm)

Just might cry watching them fly,  
Fly, fly. Fly, fly.  
(Ohhh)

While I touch the sky.  
Fly, fly. Fly, fly.  
(Ohhhhh)

While I touch the sky.  
Fly, fly. Fly, fly.  
(Skyyyy)

(Fly, fly)

If birds fly, so can I,  
I got a heart-break dawn rising in my sky,

And it's so. Beau-ti-ful. I just might cry watching birds fly.
