

# Dare You

Hardwell

We're a million lonely people  
All together on this needle in the sky  
Afraid of heights  
And your dreams were made illegal  
By the laws of lesser evil we call life  
But not tonight

I dare you to love  
I dare you to cry  
I dare you to run  
I dare you to try  
I dare you to fall  
And lay on the ground  
I dare you to feel  
I dare you to be here now

You're an outline of a vision  
That you had when we were children yesterday  
You watch it fade  
Let your heart be your religion  
Let it break you out of this prison you became  
It's not too late

I dare you to love  
I dare you to cry  
I dare you to run  
I dare you to try  
I dare you to fall  
And lay on the ground  
I dare you to feel  
I dare you to be here now

I dare you  
I dare you
