

Hanging On

Harem Scarem

If you go, if you'll stay
Has become a mystery
Have you found what you need
What's the voice inside your head saying

I don't know what your thinking
Or what's up or down
The highs and lows tend to shake me
Off solid ground

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

Empty vows empty dreams
Somehow ignored so faithfully
How do we know where we stand
Can't leave it all to circumstance

I don't know what your thinking
Or what's up or down
The highs and lows tend to shake me
Off solid ground

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

I haven't felt it in a long time
I invented it in my mind
Oh, it's blind leading the blind
In this storm till every hope is gone

'Cause I want hold you
Hold to your word

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

(To your word)

I'm hanging on to promises
Never meant for me
I want hold you
Hold you to your word

(I'm hanging on)
I'm hanging on to promises
Never meant for me
(I want hold you)
I want hold you
Hold you to your word
