

## Lying

Harem Scarem

I'm the king of all pretenders  
The end all be all of fakes  
I prey on the mindless  
And I like it  
Your defenses all surrender  
My senses all awake  
I kill 'em with kindness  
And they buy it  
Now I'm not one to seek redemption  
"The truth will set you free"  
Is all a mild deception  
And you better believe  
That I'm lying  
Lying  
Lie to everyone everyday  
The bitter pill of ages  
You swallow everyday  
If feels so timeless  
Don't fight it  
Now I give you inhibitions  
Take your innocence away  
Without even trying  
'Cause I can
