Harem Scarem

I'm the king of all pretenders The end all be all of fakes I prey on the mindless And I like it Your defenses all surrender My senses all awake I kill 'em with kindness And they buy it Now I'm not one to seek redemption "The truth will set you free" Is all a mild deception And you better believe That I'm lying Lying Lie to everyone everyday The bitter pill of ages You swallow everyday If feels so timeless Don't fight it Now I give you inhibitions Take your innocence away Without even trying 'Cause I can
