

Waited

Harem Scarem

Everyday that you pull me under
I don't know what to believe
Never saying a word to each other
I know that I'm waiting

On a love that's like dying flowers
And these are your final hours

Cause I've waited for as long as I can
And I don't wanna lose again
Yeah, waiting and I can't understand
Why you don't, don't try, don't try at all - Damn!

Carried away like the sweet emotion
All the love inside of me
Better days may be gone forever
So you give till you bleed

On a love that's like dying flowers
And these are your final hours

Cause I've waited for as long as I can
And I don't wanna lose again
Yeah, waiting and I can't understand
Why you don't, don't try, don't try

Don't try, don't try
Don't try, don't try
Don't try, don't try

On a love that's like dying flowers
And these are your final hours

Cause I've waited for as long as I can
And I don't wanna lose again
Yeah, waiting and I can't understand
Why you don't, don't try, don't try

Cause I've waited for as long as I can
And I don't wanna lose again
Yeah, waiting and I can't understand
Why you don't, don't try, don't try

Cause I've waited for as long as I can
And I don't wanna lose again
Yeah, waiting and I can't understand
Why you don't, don't try, don't try

Cause I've waited...
