

You Ruined Everything

Harem Scarem

Everything is getting clearer
Than ever before
Paid for your fake tits
And your facelifts
Now you're giving me the door

As long as we're together
Well the least that you
Can do is pretend
You think that I would learn
Because you do it to me
Time and again
Now you
You ruined everyting
When I thought we had it all
You
You ruined everything
Leaving me to take the fall

Your lack of vision
Is my prison
Now it's time to take the wheel
Maybe unlikely and untimely
That I'm losing my appeal
