

## Can't Hold Back

Harlequin

There you go showin' off again  
Don't you know the hold you got on me  
You know I'm not complainin'  
I'm just so tired of waitin'

I can't hold back  
Though I'm tryin'  
I can't hold back  
I'm almost dyin'  
I can't hold back  
And it's all because of you

Don't you know what you put me through  
Every night I'm sleepin' without you  
You know I'm not complainin'  
I'm just anticipatin'

I can't hold back  
You know I'm tryin'  
I can't hold back  
I'm almost dyin'  
I can't hold back  
And it's all because of you

Can't hold back

You know I'm not complainin'  
I'm just so tired of waitin'

I can't hold back  
You know I'm tryin'  
I can't hold back  
I'm almost dyin'  
I can't hold back  
And it's all because of you

I can't hold back  
Can't hold back  
Can't hold back  
Can't hold back  
Can't hold back

I can't hold back
