## F-zero 'the freedom of zero' oc remix

## **Harmony**

I don't drive for the money.
I don't drive for that paycheck.
I don't do this for the ladies.
I've already got their respect.
Please remain seated while the shuttle comes to a complete stop.
I've got their respect...
Ladies and gentlemen, we are now approaching White Land.

I drive for the speed, whirlwind I'm a tempest.
I'm addicted to the feel of being frictionless.
You can sit in the audience and watch me glide by,
but you'll never know the feeling I get when I drive!
Never hit the side 'cause I get electrified
and I'm doing 475 ten inches high in the sky
and there ain't no other way someone could feel so alive
and they wonder why I drive? I'll sing again...

I don't do this for the money. We hope you enjoyed White Land. I don't drive for that paycheck. Now approaching Mute City.

Thank you again for choosing the F-Zero Shuttle. We know that you have a choice for race-day transportation, and we are delighted to
