

# Without You

Harmony

Lies, they're wherever I may go  
What is a lie? What's the truth? How will I know?  
Fear, Is the result that I see, of peoples greed  
Bringing this world to misery

In times when I can't see what's wrong or what's right  
You help me see things clearly, you're my eyes, you're  
the light

Wouldn't know where to turn  
Wouldn't know what to do  
Don't wanna live, without you  
Wouldn't know what to say  
Wouldn't find my way  
Wouldn't make it through without you  
Without you

Earth, Will it ever stop to bleed  
A world in misery, caused by humans greed  
Wars, are raging everywhere  
But do we care, as long as we're not there

When I feel insecure, no help seems to be found  
You take me by my hand, put my feet on solid ground

Wouldn't know where to turn  
Wouldn't know what to do  
Don't wanna live, without you  
Wouldn't know what to say  
Wouldn't find my way  
Wouldn't make it through without you  
Without you

I close my eyes, thinking of you  
And I see us two together  
In a time when my life is through  
It's a time, in a land of forever

OhH...

Wouldn't know what to do  
Wouldn't find my way  
Without you  
Without you

Sometimes I feel alone, and no one seems to care  
But you are by my side, and you will always be there

Wouldn't know where to turn  
Wouldn't know what to do  
Don't wanna live, without you  
Wouldn't know what to say  
Wouldn't find my way  
Wouldn't make it through  
Without you

Wouldn't know where to turn

Wouldn't know what to do  
Don't wanna live, without you  
Wouldn't know what to say  
Wouldn't find my way  
Wouldn't make it through  
Without you
