Broken Vow

Harrison Craig

Tell me his name I want to know The way he looks And where you go I need to see his face I need to understand Why you and I came to an end

Tell me again I want to hear Who broke my faith in all these years Who lays with you at night While I'm here all alone Remembering when I was your own

I let you go I let you fly Why do I keep on asking why I let you go Now that I found A way to keep somehow More than a broken vow

Tell me the words I never said Show me the tears you never shed Give me the touch That one you promised to be mine Or has it vanished for all time

I let you go I let you fly Why do I keep on asking why I let you go Now that I found A way to keep somehow More than a broken vow

I close my eyes And dream of you and I And then I realize There's more to love than only bitterness and lies I close my eyes

I'd give away my soul To hold you once again And never let this promise end

I let you go I let you fly Now that I know I'm asking why I let you go Now that I found A way to keep somehow More than a broken vow
