Love Is In The Air

Harrison Craig

Love is in the air Everywhere I look around Love is in the air Every sight and every sound

And I don't know if I'm being foolish Don't know if I'm being wise But it's something that I must believe in And it's there when I look in your eyes

Love is in the air In the whisper of the trees Love is in the air In the thunder of the sea

And I don't know if I'm just dreaming Don't know if I feel same But it's something that I must believe in And it's there when you call out my name

Love is in the air Love is in the air Oh oh oh Oh oh oh

Love is in the air In the rising of the sun Love is in the air When the day is nearly done

And I don't know if you're an illusion Don't know if I see it true But you're something that I must believe in And you're there when I reach out for you

Love is in the air Everywhere I look around Love is in the air Every sight and every sound And I don't know if I'm being foolish Don't know if I'm being wise

But it's something that I must believe in And it's there when I look in your eyes

Love is in the air Love is in the air Oh oh oh Oh oh oh
