

# A Fool For You

Harry Belafonte

I know you told me  
Such a long time ago  
That you don't want me  
You don't love me no more

I wanna know  
Oh what makes me such a fool for you

I know you told me  
That you don't want me 'round  
Yes I know  
You got a man way 'cross town

Did ya ever wake up cryin'  
Like you never cried before  
Oh lord have ya ever cried so loud  
You give the blues to your neighbor next door
