

## Hurry Sundown

Harry Belafonte

Hurry sundown, let the weary day be over  
I'm so tired of hurt, I've been taken  
My heart has been aching so  
Don't mind struggling, don't mind livin' a little  
If someday my kids are laughing together  
And have things I never own  
I can feel many changes are coming  
Beat them drums in a distance, a drumming  
Telling the world a new future has begun  
Yes, you got to hurry sundown  
I can't wait to see the morning  
There's a lot of work I must lend a hand to  
So bring on that brand new day  
Afraid tomorrow is on it's way  
So hurry down, hurry down sweet sun
