

Angola (At The Farm)

Harry Connick, Jr.

At the farm Angola they got me on watch hall
Ain't got it on more you can cut along
Ain't got it off tractor you can call that tiller
But you can call that park up the view and the birds along

At the farm Angola they got on red hand
Then the boys got mad at 74
They told him that it might be good for Charlie Fraser
They cut the wings of the heels of the sand that their work was
done

Angola at the farm
Angola at the farm

At the farm Angola you work on sunshine
At the farm Angola you work on frame
Perhaps and it got to be a fortune
And if you don't like it
You can take it up with Wally King

The farm Angola's on the Mississippi
The shortest journey the life would enjoy at the sun
We spend all day all night thinking of the city
But the chase is ready so man don't you try to run

Angola at the farm
Angola at the farm
Angola at the farm
Angola at the farm
