Take me To the city beneath the sea The river will wrap around me And the music will let me be You can find me on the neutral ground On the corner of Fleur-de-lis Please... somebody won't you take me To the city beneath the sea Take me... Take me Where the night outshines the day You can hear the tap of soda caps And smell the Ettoufe', You can fais do do with Jockimo Or fi na ne 'till three Please... somebody won't you take me To the city beneath the sea How... How long Can I stay away How... How long Can I stay away Take me... Take me To the Meters and the Mardi Gras They bet you where you got your shoes And they eat their oysters raw Pork Chops dances all night long But he won't dance for free Please... somebody won't you take me To the city beneath the sea
