

Didn't He Ramble

Harry Connick, Jr.

Didn't he ramble, didn't he ramble
He rambled all around, in and out of town
Didn't he ramble, didn't he ramble
He rambled till the butcher cut him down

He rambled through the city
He rambled through the street
Little ol' lady pass him by said
"Look at the market meat!"

Didn't he ramble, didn't he ramble
He rambled all around, in and out of town
Didn't he ramble, didn't he ramble
He rambled till the butcher cut him down

Didn't he ramble, didn't he ramble
He rambled all around, in and out of town
Didn't he ramble, didn't he ramble
He rambled till the butcher shot him down

He rambled through the city
He rambled through the street
Little ol' lady pass him by said
"Look at the market meat!"

Didn't he ramble, didn't he ramble
He rambled all around, in and out of town
Didn't he ramble, didn't he ramble
He rambled till the butcher shot him down
