

# Santariffic

Harry Connick, Jr.

When you're smiling  
There in your attire  
Fancy styling!  
Right here by the fire  
Quite beguiling  
My, don't you inspire

I'm Santariffic if I do say so  
Plump and tender  
Ev'ryone just pauses  
My, the splendor  
Wonder what the cause is  
Far from slender  
How lucky Mrs. Claus is

I'm Santariffic if I do say so  
All those plates of cookies  
All those mugs of milk  
Make my beard as white as snow  
Make my skin as soft as silk

Everyone's got crushes  
Someone call a coppa  
Everybody blushes  
At the big show stoppa  
You're so luscious  
Baby come to papa!  
Oh if I do say  
Baby, what do you say

I'm Santariffic if I do say so  
All those plates of cookies  
All those mugs of milk  
Make my beard as white as snow  
Make my skin as soft as silk

Everyone's got crushes  
Someone call a coppa  
Everybody blushes  
At the big show stoppa  
You're so luscious  
Baby come to papa!

Oh if I do say  
Baby, what do you say  
I'm Santariffic if I do say so  
I'll stuff your stockin'  
If you jingle my bells yeah
