Speak Softly Love

Harry Connick, Jr.

Speak softly love and hold me warm against your heart I feel your words, the tender trembling moments start We're in a world, our very own Sharing a love that only few have ever known

Wine colored days warmed by the sun Deep velvet nights when we are one

Speak softly love so no one hears us but the sky The vows of love we make will last until we die My life is yours and all because You came into my world with love so softly, love

We're in a world, our very own Sharing a love that only few have ever known

Wine colored days warmed by the sun Deep velvet nights when we are one

Speak softly love so no one hears us but the sky The vows of love we make will last until we die My life is yours and all because You came into my world with love so softly, love
