

There Is Always One More Time

Harry Connick, Jr.

If your whole life somehow
Wasn't much till now
And you've almost lost
Your will to live
No matter what you've been through
Long as there's breath in you
There is always one more time

If your dreams go bad
Every one that you had
Don't you think that your dreams
Will no, not ever come true, who you
Because it's funny about dreams
Just as strange, just strange as it seems
Because there is always one more time

Turnin' corners
Turnin' corners
Is only a state of mind
Only a state of mind
Keepin' your eyes closed
Keepin' your eyes closed
Is worse than being blind
Worse as being blind

So if there's a heart out there
If there's a heart out there
Lookin' for someone to share
Lookin' for someone to share
I don't care
I don't care
If it's been turned down time and again
Time again

And if we meet some day
Yeah, and if we meet some day
Please don't walk away
No, no don't walk away
'Cause there is always one more time
One more time
'Cause there is always one more time
