

Way Down Yonder in New Orleans

Harry Connick, Jr.

Way down yonder in New Orleans
In the land of the dreamy scenes
It's a garden of Eden...you know what I mean

Creole babies with lovin' eyes
Softly whisper their tender sighs
Stop..ya bet your life you'll linger there...a little while
Stop....won't you give your lady fair...a little smile

It's the heaven right here on earth
All the beautiful queens
Way down yonder in New...Orleans

Stop....won't you give your lady fair...a little smile
Stop....give lady fair...a little smile
Oh!
It's the heaven right here on earth
All the beautiful queens,
Look out!
Way down yonder in New Orleans
