

It's Been A Long Long Time

Harry James

Never thought that you and me
Standing here so close to me
There's so much I feel that I should say
But words can wait
Until some other day

Kiss me once, then kiss me twice
Then kiss me once again
It's been a long, long time
Haven't felt like this, my dear

Since I can't remember when
It's been a long, long time
You'll never know how many dreams
I've dreamed about you

Or just how empty they all seemed without you
So kiss me once, then kiss me twice
Then kiss me once again
It's been a long, long time

Ah, kiss me once, then kiss me twice
Then kiss me once again
It's been a long time
Haven't felt like this my dear

Since I can't remember when
It's been a long, long time
You'll never know how many dreams
I dreamed about you

Or just how empty they all seemed without you
So kiss me once then kiss me twice
Then kiss me once again
It's been a long, long time

Long, long time
