

# It's Been A Long Long Time

Harry James

Never thought that you and me  
Standing here so close to me  
There's so much I feel that I should say  
But words can wait  
Until some other day

Kiss me once, then kiss me twice  
Then kiss me once again  
It's been a long, long time  
Haven't felt like this, my dear

Since I can't remember when  
It's been a long, long time  
You'll never know how many dreams  
I've dreamed about you

Or just how empty they all seemed without you  
So kiss me once, then kiss me twice  
Then kiss me once again  
It's been a long, long time

Ah, kiss me once, then kiss me twice  
Then kiss me once again  
It's been a long time  
Haven't felt like this my dear

Since I can't remember when  
It's been a long, long time  
You'll never know how many dreams  
I dreamed about you

Or just how empty they all seemed without you  
So kiss me once then kiss me twice  
Then kiss me once again  
It's been a long, long time

Long, long time
