It's Been A Long Long Time

Harry James

Never thought that you and me Standing here so close to me There's so much I feel that I should say But words can wait Until some other day

Kiss me once, then kiss me twice Then kiss me once again It's been a long, long time Haven't felt like this, my dear

Since I can't remember when It's been a long, long time You'll never know how many dreams I've dreamed about you

Or just how empty they all seemed without you So kiss me once, then kiss me twice Then kiss me once again It's been a long, long time

Ah, kiss me once, then kiss me twice Then kiss me once again It's been a long time Haven't felt like this my dear

Since I can't remember when It's been a long, long time You'll never know how many dreams I dreamed about you

Or just how empty they all seemed without you So kiss me once then kiss me twice Then kiss me once again It's been a long, long time

Long, long time
