

## Oh! But I Do

Harry James

You think I don't love you,  
Oh, but I do!  
How can I show that I do?  
You think I don't get blue,  
Oh, but I do!  
Though I get light hearted too.  
First Im singing then Im sighing  
Then Im flying high above.  
You think I don't know why,  
Oh, but I do!  
I know that it's you I love.
