

# All My Life

Harry Nilsson

Oh Lord  
What is it?  
I'm full of it tonight  
Right

Well, I've had my share of bad times  
I've been shooting 'em up  
Drinking 'em up, taking them pills  
Fooling around all my life  
But I'm so tired of bad times  
I'll have to change my way

And I've had my share of good times  
I've been moving around  
Living uptown, laughin' my ass off almost  
Every night  
But I'm so sore from laughing  
I haven't got the will to fight

All my life, I have been waiting  
To find a reason, to give it up for and do a lot more  
Every day of my life

I'm gonna wake up every morning  
Come home every evening  
Just jump into bed and lie there  
And laugh with my wife

Well, I've had my share of bad times  
I've been shooting 'em up  
Drinking 'em up, taking them pills  
Fooling around all my life  
But I'm so tired of bad times  
I'll have to change my way

And I've had my share of good times  
I've been moving around  
Living uptown, laughin' my ass off almost  
Every night  
But I'm so sore from laughing  
I haven't got the will to fight
