

Bath

Harry Nilsson

I'm leaving here this morning but I don't know where I've been
I'm going home to take my bath but I'll be back again
Yeah, I'm leaving here this morning with a smile upon my face
I'm beginning to think there's hope for the human race

I'm leaving here this morning but I don't know where I've been
There's a lot of talk about the place but I'll be back again
Yeah, I'm leaving here this morning with my eyes upon wide
And I'm awfully glad you let me come inside
Do, I could do, I could do, I could do,
I could do, I could do, I could do, wa-ha

My eyes are getting heavy and my knees a little weak
My mouth so dry it hurts my throat when I begin to speak
Yeah, but I'm leaving here this morning with a smile upon my face
I'm beginning to think there's hope for the human race

Do, I could do, I could do, I could do,
I could do, I could do, I could do, wa-haaaa
