

Bright Side of Life

Harry Nilsson

Cheer up Brian, you know what they say?
Some things in life are bad
They can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this will help things turn out for the best

Always look on the bright side of life
Always look on the light side of life

If life seems Johnny rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly, chumps
Just purse your lips and whistle - that's the thing, hey

Always look on the bright side of life
Always look on the right side of life

For life is quite absurd
And that's the final word
You must always face the curtain with a bow
Forget about your sin
Give the audience a grin
Enjoy it, it's your last chance anyhow

So always look on the bright side of death
Just before you draw your terminal breath

Life's a piece of shit
When you look at it
Life's a laugh and death's a joke, it's true
You'll see it's all a show
Keep 'em laughin' as you go
Just remember the last laugh is on you

And always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life
Always look on the right side of life
Always look on the bright side of life...

Look at it this way
You come from nothing and you go back to nothing
So what have you lost? Nothing!
