

Goin' Down

Harry Nilsson

Goin' down
Deeper than the deepest ocean
Deeper than the deepest ocean can go
You know I'm goin' down.

Goin' down now
Don't ask me how far down
Don't ask a drowning man how far down
All I know's I'm goin' down.

Down, deeper than the ocean
Deeper than emotion that's bringing me down
Down, deeper than the ocean
Deeper than emotion that's draggin' me down.

Down now, deeper than the deepest heartache
Lower than the lowest heartbreak can take
You know I'm goin' down.

Goin' down now
Deeper than the deepest ocean
Deeper than the deepest ocean can go
You know I'm goin' down.

Down, deeper than the ocean
Deeper than emotion that's bringing me down
Down now (you can turn me on, pretty mama, but you first have to turn me on)
Deeper than the deepest ocean (you can turn me down, pretty mama, but you first have to turn me on)
Deeper than the deepest ocean can go (you can turn me on, pretty mama, but you promise not to turn me down)
You know I'm goin' down.

Down
Don't ask me how far down
Don't ask a drowning man how far down
All I know's I'm goin' down.
