

Harry

Harry Nilsson

He's a pretty nifty guy
Always looks you in the eye
Everybody passing by will sigh for
Harry...
(Oh Harry)

I've known him for a little while
He always has a friendly smile
He doesn't give a damn for what's in style
Does Harry

Come and share a joke or two
Or come and have a smoke or two
You can have some Coca Cola too
With Harry

(Harry)

Harry's there with Una too (I was there with Una too)
Come and have a tuna stew (Come and have a tuna stew)
You can share a tune or two with you and (You can share a tune
with you and)
Harry (Harry)

(Ah Harry)
Here's a little gentle song
A sort of sentimental song
At least it didn't take us very long
Harry, Harry, Harry, Harry

(Yeah, hello, what is it?)

I love Harry
I wanna marry Harry
Not a Gary, or a Bary
But Harry, Harry, Harry, Harry

Ooh, I'm wild about that man called Harry
Wanna marry, I'm into Hari Kari
Harry, Harry, Harry, Harry, Harry
Precisely
