

# He Needs Me

Harry Nilsson

And all at once I knew  
I knew at once  
I knew he needed me

Until the day I die  
I won't know why  
I knew he needed me

It could be fantasy, o-oh  
Or maybe it's because

He needs me he needs me  
He needs me he needs me  
He needs me he needs me

Dah de da da da da da da da da  
Dah de da da da da da da da da dah

It's like a dime a dance  
I'll take a chance  
I will because he needs me

Noone ever asked before  
Before because they never needed me

But I do

But he does!

Maybe it's because he's so alone  
Maybe it's because he's never had a home

He needs me he needs me  
He needs me he needs me  
He needs me he needs me

For once, for once in life  
I've finally felt  
That someone needed me

And if it turns out real  
Then love can turn the wheel

Because

He needs me he needs me  
He needs me he needs me  
He needs me he needs me

He needs me he needs me  
He needs me he needs me  
He needs me he needs me

Dah de da da da da da da da da dum  
Dah de da da da da da da da da dah
