

I'm Mean

Harry Nilsson

It's not easy bein' me
Masker of me own deskiny
And I hates responsibiliky
It's not easy bein' me

Oh it's hard to be in charge

Even harder bein' large

But you're charged when you're in charge
It's not easy bein' me

Right front rear right
Don't step in front of me!

Right left left right
Yes sir, your Admiralty!
I hate you so much!

It's not easy bein' me
Admiral of me own ship at sea
Now I knows why I admires me
It's not easy bein' me

It's not easy bein' me

The problems of the large

If ya know what I mean

He's large he's large!

I got me own destiny

Yo ho, yo ho!

It's not easy bein' mean!

Sometimes something happen
I don't know why anymore
Sometime one time something happened
I don't know what anymore

It's not easy bein' me
Masker of internal piracy
And it's not the all-end of me
Still, it's not easy bein' me

It's not easy bein' me

It's not easy bein' me / It's not easy bein'
mean

It's not easy bein' me

It's not easy
